The screenshot displays a user dashboard for the Angular Ultimate Package. On the left, a sidebar identifies the user as 'Howdy, Han-Nung Lin' and lists navigation options: 'My Courses', 'Purchases', and 'My Profile'. Below this, a 'New course releases' section includes an email input field and a 'Get notified' button. The main content area features a dark banner with the text 'Add more courses anytime and teach yourself something new.' and an 'Explore Courses' button. Six course cards are arranged in a 2x3 grid, each showing the course title, progress bar, and completion percentage (all at 0%). The courses are: 'NGRX Store + Effects' (0/43 complete), 'Angular Pro' (0/119 complete), 'TypeScript Basics' (0/44 complete), 'TypeScript Masterclass' (0/39 complete), 'Angular Fundamentals' (0/59 complete), and 'JavaScript Basics' (0/68 complete).
